# What is the purpose of need-based financial aid?

- ▶ Equal access
  - ▶ Make education accessible to students who can't afford it on their own
  - ▶ Enable student to apply to first-choice college
  - ▶ Attend college based on best fit
- 

# What assumptions underlie need-based aid?

- ▶ Families contribute to the extent they're able
  - ▶ Income and assets reflect financial strength over time
  - ▶ Unusual family circumstances considered
  - ▶ Similar treatment for similar circumstances
  - ▶ More expected from those with greater resources
- 

# How do students apply for need-based financial aid?

- ▶ Federal formula
  - FAFSA (Free Application for Federal Student Aid)
  
- ▶ Institutional formula
  - CSS/Financial Aid PROFILE
  
- ▶ At school's discretion:
  - Institutional application
  - Tax returns and W-2 forms
  - Noncustodial PROFILE
  
- ▶ Families must reapply annually

# How is eligibility for financial aid determined?

Cost of education

– Estimated Financial Assistance  
(outside resources)

– Family contribution

= Student's financial  
need

# What is included in cost of education?
